Ferrari Park and Warner Bros

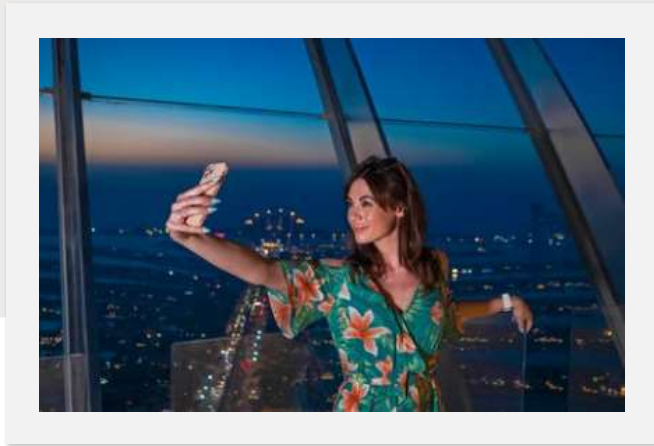

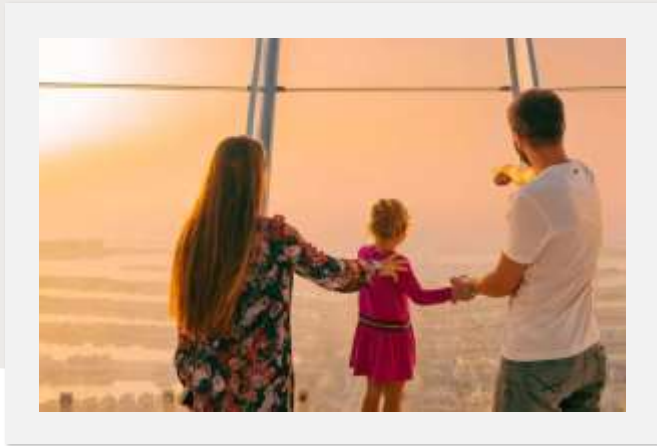

- Ferrari World is a Ferrari theme park located on Yas Island in Abu Dhabi. The park is housed under a 200,000 m² roof and is the largest indoor theme park in the world..
- Warner Bros complex. World is one of the largest theme parks in the world. On a total area of over 150,000 m², guests are welcome to six special zones, as well as three dozen slides, interactive attractions and entertainment, many shops, restaurants, cafes and souvenir shops dedicated to WB products and favorite characters. And a whole company of them gathered here: Batman, Joker, Cyborg, Harley Quinn, Catwoman, Riddler, Penguin, Superman, Flash, Aquaman, Wonder Woman, Green Lantern, Bucks Bunny, Daffy Duck, Martian Manhunter, Flintstones, Tom and Jerry, Scooby-Doo, Wile Coyote, Road Runner, Yosemite Sam, Tweety the Chicken, Sylvester the Cat and many more ...

Climbing the Burj Khalifa

- The Burj Khalifa observation deck is an observation deck located on the 148th floor of the skyscraper of the same name in Dubai at an altitude of 555 meters, and for several years was the highest observation deck in the world. The second site is located on the 124th floor, at a height of 452 meters of the tallest building in the world.

Ascend to The Palm View

- The new observation deck The View at The Palm is located on the 52nd floor of the Palm Tower skyscraper, at a height of 240 meters. The site offers a panoramic view of the Palm Jumeirah, city skyscrapers and the Arabian Gulf. Here, next to a cozy coffee shop, an interactive aquarium and a souvenir shop, there is an exhibition that tells about the history of the creation of this man-made island..

Aura Lounge

- The world's highest infinity pool, AURA Skypool, is located on the 50th floor of the Nakheel Palm Tower Hotel.
- The world's highest infinity pool, with a 360-degree view, and the elegant lounge area adjacent to it, create the feeling of a "soaring oasis in the sky".
- The 750 square meter pool is located about 200 meters above the ground. It offers breathtaking views of Palm Jumeirah, Burj Al Arab skyscraper, Ain Dubai Ferris wheel and other city sights.
- The menu of the lounge area includes a variety of dishes of international and pan-Asian cuisine. We recommend trying glazed salmon with miso sauce, grilled cauliflower and pineapple copbet

Abu Dhabi National Aquarium

- On a huge area there are 46 thousand creatures belonging to 300 different species, and these are not only underwater inhabitants, but also animals included in ecosystems - reptiles, birds, mammals. Iconic species include the world famous Supersnake, considered the world's longest reptile, as well as a large family of hammerhead sharks, piranhas and many other exotic creatures. The object includes more than 60 expositions in 10 zones - from the Arabian Sea and the tropics to the Arctic Ocean.
- The National Aquarium is part of Al Qana, a unique place and a new waterfront that is almost ready to open. The aquarium will be the largest in the Middle East and will house 46,000 animals. They are cared for by a team of 80 experts and specialists

Louvre Abu Dhabi

- The legendary Louvre Abu Dhabi became the first multicultural museum in the Arab world, embodying the spirit of free intercultural exchange. This is a real treasure trove located in the heart of the cultural region of Saadiyat Island. Here are objects of historical, cultural and social significance from ancient times to the present day.
- A symphony of stone, water and light resounds in this amazing building, inspired by the rich architectural tradition of the region and the unique location of the museum, where the Arabian sky meets the sands of Saadiyat Island and the waters of the Arabian Gulf. Recognized as one of the marvels of modern architecture, the Louvre Abu Dhabi is not only the first multicultural museum in the Arab world, but also a symbol of the UAE's aspirations and achievements..

Qasr Al Watan Palace

- Qasr Al Watan is a functioning Presidential Palace and a cultural attraction where anyone can touch the history and traditions of the UAE. This palace is not just a stunningly beautiful architectural monument. Here you can better understand the history and feel the culture of the Arab world by visiting various exhibitions and events.
- One of the Palace's most impressive events is the spectacular light and music show Palace In Motion, which tells the story of the UAE in three breathtaking acts. The show takes place in front of the main entrance to the palace every day, half an hour after sunset. The entrance to the event closes 30 minutes before the start. Schedule subject to change.
